

2010 Westpark Marlins | *Coach's Corner*

July 19, 2010

Hello swimmers and parents,

It was good to see that the swimming world of the Westpark Marlins didn't fall apart while I was out of town! Just kidding, its always you swimmers and parents that keep everything running on all cylinders. As usual, you all came through again and helped to make the meet a memorable one. We had several records fall, which seems to be quite the norm these days, and we also had dozens of ISL qualifying times and personal bests. All of you swimmers have been working so hard at practice, and I am so proud of you all. As long as we keep up the the good work, the sky is the limit for us Marlins.

Speaking of ISL qualifying times, championships are getting close (Only 1 month left in the season) and I would like to remind everyone that we would like for the entire team to attend. Even if a swimmer doesn't meet the qualifying standard, they are still able to swim an event at the championships. I promise, its an event that will be fun for the whole family.

As you all know, we have had many fun days both at practice and at the meets, and we need to remember that it takes a lot of work to organize these events (Like our bowling event). So if anyone gets a chance to thank a board member or a volunteer parent, you definitely should do so. I would like to end today's coaches corner by personally thanking all of you board members and parents out there who make everything so special for all of us involved!

Thank you,

Coach Tanner
