Dear name

We are looking forward to yet another swimming season filled with fun and excitement for the children of Irvine. Last year was an outstanding year for our swimmers, who collectively took _ _ _ _ place in the ISL championships. There were many individual success stories as well, but none of this could have happened without the overwhelming support of sponsors like you.

Thus, we are writing to ask that you consider becoming a 20## team sponsor. The Westpark Marlins swim team is staffed entirely by volunteers and depends on required swimmer's fees to finance its operations. These fees also pay the salaries of our coaches and enable them to devote a significant amount of their time, five days a week, to our kids. Additional support from community businesses such as yourself help raise money for much needed equipment for the team. Hence, we would love to have you as a sponsor in 20##.

In return for your financial support, we will advertise your business's website on our website at www.westparkmarlins.com. This website is viewed by the families of our team's 120 swimmers, the team's staff, and members of the Irvine swim community. In addition to our website exposure, our sponsorship packages offer additional benefits as outlined in the enclosed descriptions. By signing on as a sponsor, you will be making a huge difference in the lives of our children and in their swimming experience. Moreover, the amount of business you can potentially gain from our families won't be limited to just the swim season, because many of our kids participate in multiple sports year round, and our families support our sponsors!

Thank you in advance for considering this very important request. Your support would be greatly appreciated. If you have any questions, please feel free to call or e-mail me.

Sincerely,

(MQ) Minh-Quan H. Pham
